Discussion about utility trailer purchase prices was presented by Capt. Mark Baas

6.5'x12' apx \$1500.00 steel trailer 1200 lb. cap

5'x12' aluminum trailer 700 lb. cap apex \$3350.00

8'x12' aluminum snowmobile trailer (tilt) \$1865.00

Further discussion of trailer purchase will be brought up after reimbursement of Radio Grant Funds are received

Discussion was held on being dispatched to multiple calls simultaneously, or leaving the scene of one incident to attend another without going back to the station. Start documenting times ASAP, accurately and quickly. Dispatch is very busy during these times it is difficult to keep CAD straight and which units/members are at which scene when. Have reports for each individual vehicle involved.

Juneau County Fire Association meeting was attended by; Chief's Whaley and Madden.

We have been asked to keep repeater traffic to a minimum. Communicate on Fire Ground Red with Command when in route.

Chief Whaley opened the floor to all members for any further discussion topics. Nothing further was brought up.

Chief Whaley discussed the CART Program (Child Alert Reaction Team) for Juneau, Adams and Wood counties. Any members interested were instructed to leave name, ss# and DOB with him for back ground check.

Hal Schneider and Harry Jorgenson will get with Lt. Gene and Jeremy to discuss pump training schedule.

Training for Feb 15th will be with Travis from the DNR and truck inspections.

Feb 20th 1pm is Ice Rescue Training. Place to be determined.

Cooking for March is Jordan Andres
